

# Camp Creek Drainage Improvement Project

## Purpose

Thoughtfully plan short and long-term solutions that:

- Protect the corridor from flooding and erosion
- Improve public safety
- Are technically sound
- Are responsive to community needs and values
- Are sensitive to the special characteristics of Garden of the Gods Park and Rock Ledge Ranch

## Project Givens

- Proposed solutions must conform to all relevant public property deed restrictions and to all applicable federal and state laws and regulations.
- Solutions must recognize existing agreements and master plans.
- Drainage, bridge and road improvements in the corridor must be addressed as part of an integrated solution.
- Solutions will strive to honor values expressed by the community regarding impacted neighborhoods, Garden of the Gods, and Rock Ledge Ranch Historic Site.
- The City of Colorado Springs will do its best to leverage federal, state and local funding for this project.
- The City encourages everyone interested in this serious problem to participate in the public involvement process for developing solutions.
- The City of Colorado Springs will make the final decision regarding short- and long-term solutions and phased implementation.
